

FOR THE ATTENTION OF LOUIS BAILEY

REGARDING THE PROPOSED TWO
STOREY SIDE ELEVATION EXTENSION AT
NO 115 THORNTON ROAD KENDRAY
BARNSLEY S70-3LG
APPLICATION NO 2025/0019

LOUIS

Please find attached a revised drawing now indicating the required reduction in width as requested by yourself, in order to gain planning approval. I would also confirm that the extension is a just a fraction over the 3.30m width simply to gauge in with full bricks and avoid cut bricks.

Regards

Steve Davis on behalf of the applicant Sian Hamshire

MANY THANKS
